Words and Music by Arthur Morgan

**G**            **D**                    **C**        **Am**  
I will praise the Lord  
**G**                    **D**            **C**        **Am**  
Gave me another chance  
**G**                    **D**                    **C**        **Am**  
Turned my pain and sorrow  
**Am**                **C**                    **D**        **Dsus D**  
Into a song and dance

**G**        **D**                    **C**        **Am**  
Let all God's people  
**G**                    **D**        **C**        **Am**  
Praise His holy name  
**G**                    **D**                    **C**        **Am**  
His anger lasts a short while  
                  **G**                                    **D**                    **C**        **Am**  
But His kindness will still remain  
                  **G**                                    **D**                    **G**        **G6 G**  
His kindness will still remain
