

“Calvary Chant” Composed, recorded and produced by Drew Collins

My anger, may way
My road to my doomsday
I'm so tired, kill sin
Throw me a line and pull me in
Long and lonely is the road
I walk with dust in my throat
Pull my face up from the sand
Dead inside by my own hand
Take a look, boy - you're goin' under
Go and read about the sons of thunder
They were not much unlike you
Here's what the world said when they showed it the Truth
Crucify Him! (4x)
No man takes my life from me.
I lay it down of my own free will
You can receive God's grace and bow your knee right now or someday you will
And stop walkin' where the Devil walks
I found Truth in red ink
Life's like a bullet and gone in a blink
My God, my life
Walk with me and peel my strife
Salvation holds me I've been given a new eyes to see
My secrets, my lies
Dissolve in the tears of my new eyes
I was screamin' to be saved
As my own tongue dug my own grave
He knows me better than I
And my sins growled out from every stripe
Crucify Him! (4x)
I was thinking myself to be wise and headed down that road of fools
As He said "Father please forgive them, for they know not what they do."
I was saved from where the Devil walks.
