

Rekindle

Written by Sulad Jhun Cardeinte (May 13, 2017)

You hear Him speak
He's calling you.
The still Small Voice prompting you.
Leave your home!
Your comfort zone
Into dark places and unknown

CHORUS

Rekindle the spirit of the pioneers
Bold and brave!
Jesus leads the way.
Rekindle the spirit of the pioneers
March onward!
He's already there.

Jesus- the first pioneer
He left heaven- His royal throne
Without reserve
He came to save
Our hopeless dark world, He loves most.
