

Paradise

Word and music by Sulad Jhun Cardeinte (August 9, 2012)

Performed by InstruVoice Duo

They've asked why in the midst of pain and
sorrow you're calm and strong.

"HE knows why," you shared.

*So you've hoped and never questioned when life's
got you down.*

CHUROS

There you'll never see dark skies.

No more tears. Yes, all is nice.

Hold Him till the end, be strong inside.

Till dark skies turn bright.

Paradise.

You've reasons why you hold on to the promise
till life is gone.

"HE knows why," you said.

When you're hopeless, worn and suffering
there's still bright hope.

(repeat chorus)
